AND SUSTAINABILITY IN EUROPE

DEAR FRIENDS

It is a great pleasure to invite you to **Barcelona**, an enchanting Mediterranean seaside city. Barcelona became a symbol for modernity and tradition around the world. This is why the people of Barcelona are open, enterprising, dynamic, hard-working, competitive..., but above all public-spirited.

Attending the 19th EFPRA Congress on **20-23 June 2018**, you will have the opportunity to join an interesting programme with old friends and colleagues. Barcelona is a warm and charming meeting point to combine attractive and memorable experiences and an excellent working programme reflecting the issues of importance for our industry.

As friends and colleagues, we look forward to welcoming you next year in Spain.
